

**Belfast Lough Pilotage Services Ltd** are seeking to create a pool of potential candidates for entry to the Belfast Pilots Co-Operative as openings occur in the future.

BLPS provide pilotage services to Belfast Harbour, Larne Port and independent jetties within Belfast Lough. We undertake duties onboard a diverse range of vessel types and sizes, including project movements for the offshore industry and ship repair / drydocking at the Harland & Wolff shipyards.

The ideal candidate will meet the following minimum entry criteria;

- Valid STCW '95 Master Unlimited II/2 Certificate of Competency
- Full UK driving license (or equivalent)
- Fluent in the use of the English language
- Right to live and work in N. Ireland
- To be permanently resident less than two hours' drive from Belfast Harbour

To apply, please send your CV to: [enquiries@belfastpilots.com](mailto:enquiries@belfastpilots.com)

Applications for the next round of interviews must be received no later than  
*17:00, 24<sup>th</sup> November 2017*
