

Dick Rijnsaardt

Training and Qualification of Dutch Pilot boat crew.

Career: 1980/ 1985: a mate on Merchant ships world wide.

1985: until now Dutch Pilot Organization started as a deckhand in the North of Holland (Delfzijl)

1990: became first mate on a small Pilot vessel on the island of Terschelling.

1993: became a Captain on this Pilot Vessel.

1996: because of a reorganization moved to the South of Holland (Flushing) Captain on a new type of Pilot launch

2004: until now became also an Instructor for pilot launch crew, this means this is a twofold job Captain/Instructor.

The title of my presentation is: Training and Qualification of Dutch Pilot boat crew.

This presentation explains how to train crews to achieve the same standard nationwide, this eventually lead to a safer and more efficient way of working.
