

Trainee Marine Pilot Vacancy

Expressions of interest are sought for upcoming vacancies with Liverpool Pilotage Services Ltd for the position of Trainee Marine Pilot in the Port of Liverpool.

Minimum entry criteria:

- Applicants must hold an STCW 95, Regulation II/2, Certificate of Competency as Master, or equivalent. Have preferably held command or have had previous authorisation and suitable Pilotage experience in another port.
- Documented ship handling experience in Northern European waters would be advantageous as would being a PEC holder in a major port.
- There is also a requirement to reside within an hours drive of the port of Liverpool or a firm commitment to relocate to meet this requirement.
- A full driving license.
- The right to work in the United Kingdom.

Successful applicants will be offered a 6-month employed training contract with Liverpool Pilotage Services Ltd after which, upon successful examination and authorisation as a fourth-class pilot, they will be accepted as a Self-Employed member of the Liverpool Pilots Co-operative.

Apply via email to secretary@liverpoolpilots.co.uk with a Cover letter and CV.

Previous applicants need not apply.
