## RESOLUTIONS

### SWANSEA

1. Owing to the shameful inadequacy of the Formula which concedes an increase of only 19 per cent above the pre-war earnings of pilots, it is resolved that the U.K.P.A. takes immediate action to obtain forthwith a minimum advance of 40 per cent on the present agreement.
2. When a pilotage district is represented on the Executive Committee, that district shall be represented by one working pilot only.
